At Voltage, we pride ourselves on producing the most innovative toy hauler with the best features and most value in the industry. With features like our 7'6" tall 128" wide super slide rooms, packed cargo areas, beautiful interiors, solid surface counter tops, premium entertainment systems and executive bedroom, it’s easy to see why Voltage is simply better than the rest. We invite you to plan a visit with your local Voltage dealer to see for yourself why “All Toy Haulers Are Not Created Equal.”
Voltage features a 7' 6" interior ceiling height on our Super-Slide! The tallest in the industry!

Voltage features a 128" custom oversized U-Dinette that converts into a queen size bed. The u-dinette also includes 18" sofa extension, cup holders, loose-pillow cushion design and store-away dinette table. Below the sofa is large drawer for extra storage.

Voltage features a 7' 6" interior ceiling height on our Super-Slide! The tallest in the industry!
Voltage’s garage boasts the most features available in the industry. With garages ranging from 10’ to 14’ we are sure to have the floorplan that’s right for you.

FULL EXTENSION DRAWER GLIDES
Our central control panel groups together all of your essential interior and exterior light switches, tank monitors, and generator controls.
The Executive Bedroom sets Voltage apart from the competition. Voltage is the only toy hauler to utilize the entire depth and width of the front cap to increase the square footage in the bedroom. You will be amazed on the amount of storage space in the bedroom!

**Bedroom Features:**
- 6' 5" Interior Height
- Quilted Pillow Top Mattress
- Below Bed Storage
- 19" or 26" LCD TV
- Designer Headboard
- Recessed Halogen Lighting
- Pleated Shades
- Dresser and Wardrobe Storage

A full lift up bed expands your storage in the bedroom.
Voltage’s premium bathroom design is the new standard in the toy hauler industry. It features a decorator glass bowl vanity sink and metal faucet, foot flush porcelain toilet, skylight, recessed halogen lighting, heat and air conditioning vents and a one piece fiberglass shower with a deluxe adjustable height shower head.

Voltage’s standard power package includes a 8 function LED remote that controls the landing gear, rear stabilizer jacks, power patio awning, patio light and slide rooms. It stores in the central control panel when not in use.

Voltage features a standard Dual Fuel Tank System with pump station timer, dual tank gauges and generator controls.

- 30 Gallon Fuel Tank with Pump Station
- 20 Gallon Capacity with Fuel Tank for Generator
- Dual Tank Gauges
- Pump Station Timer
- Generator Prep
**Expanded Turning Radius Front Cap**

Voltage's expanded turning radius front cap includes a back-up mirror and LED lights to make hitching-up a breeze.

**Pass-Through Storage**

1" Thick Insulated Baggage Doors with Slam Latch

**Exterior Features**

- Fresh and City Water Fills
- Black Tank Flush
- By-Pass Valves
- 110V Outlet, Light, Cable and Satellite TV Hookups
- Exterior Shower (Hot-N-Cold) with Quick Control Hose and Sprayer
