

## ***AD500 Gas Bottle Adapter***

Adapter kit #**AD-500** is available to allow the Side-Kick (RV 500) and Stow-Away (RV 600) grills to be used with **DOT-39** 1 lb. Cylinder.

**Caution:** The gas pressure regulator provided with the appliance must be used. Replace only with regulator Model No. 6004-FN2.

You must use a cylinder that is constructed and marked in accordance with the specifications for LP-gas cylinders of the U.S. Department Of Transportation (DOT)

Must say **DOT-39** and be marked as containing **PROPANE**.

The **DOT-39** cylinder screws into the bottom of regulator on #**AD-500**. (RH thread)

When appliance is not in use, **DOT-39** cylinder must be disconnected.

Attach the **AD-500** to the grill. (See instruction for attaching to grill on reverse of page)
